Older Americans Month 2020
A PROCLAMATION

Whereas, Aroostook County includes a growing number of older Americans who make
countless contributions to our community every day; and

Whereas, Aroostook County is stronger when people of all ages, abilities, and backgrounds are
included and encouraged to make their mark; and

Whereas, Aroostook County recognizes the importance of the physical, mental, social, and
emotional well-being of its citizens; and

Whereas, Aroostook County can support our community members by:
  • promoting independence, inclusion, and participation;
  • engaging older adults through education, recreation, and service; and
  • connecting people with opportunities to share their time, experience, and talents.

Now, therefore, the Commissioners of Aroostook County do hereby proclaim May 2020 to be
Older Americans Month. We urge every resident to recognize older adults and the people who
support them as essential members of our community.

Dated this 20th day of May, 2020
